01 / EVERYDAY LIVING

Room to come together.

Living + dining

Cream reclining seating, a low coffee table and a patterned rug create a relaxed living area.

The adjoining kitchen pairs warm timber tones and cream cabinetry with grey worktops and woven counter seating.

Gallery images are AI-generated interpretations of the existing 3D apartment model.

02 / PRIVATE SPACES

Two rooms. Your own rhythm.

The master bedroom

A grey upholstered headboard, white linens and timber-effect finishes. A separate doorway opens to the shared balcony; the second bathroom is accessed from the master-bedroom entry.

The second bedroom

A simple double bed, white bedding and matching timber-effect storage offer a comfortable space for guests or a second occupant.

03 / EXPLORE THE SPACE

Step inside.

See how the rooms connect before you imagine living here.

Explore the model at eye level. Move from the entrance to the living area, visit both bedrooms and bathrooms, then step onto the shared balcony.
